<p>There are currently no classes specifically designed for International Students. Exchange students can select classes offered in any UFR Staps bachelor degrees.</p> <p>They must select several instructional units (UE) :</p> <ul style="list-style-type: none"> - Each unit is made of several subjects : all subjects have to be attended in order to complete the selected unit <p>➔ The only exception to this rule is if an internship makes up part of an instructional unit, the student will be exempted from the internship and the internship report.</p> <p>For example : UE 54.1 is made of 54.1A ; 54.1B ; 54.1C ; 54.1D</p> <ul style="list-style-type: none"> ➔ 54.1C is an internship, and 54.1D is the internship report ➔ International Students will therefore have to take 54.1A and 54.1B in order to validate the unit. <p>NB. Only parts of the ECTS will be validated.</p> <p>Exchange Students should select theoretical courses as well as practical courses so that their learning agreement includes a minimum of half theoretical classes.</p> <p>Exchange Students may attend courses in other faculties of University of Montpellier, in which case at least 50% of their courses must take place at UFR STAPS. It is their responsibility to contact said faculties and organize their own schedule.</p> <p>Autumn / Winter Semester = Semesters 1, 3, 5 / Spring Semester = Semesters 2, 4, 6</p>	

GRADING SYSTEM

The French system uses a 0-20 grading scale, the highest grade being 20 and lowest grade being 0 out of 20. The average mark is required to pass (10 out of 20).

A student may be awarded the following honours :

- From 10 to 12 out of 20: « mention passable » = pass
- From 12 to 14 out of 20: « mention assez bien » = satisfactory
- From 14 to 16 out of 20: « mention bien » = good
- From 16 to 18 out of 20: « mention très bien » = excellent
- From 18 to 20 out of 20: « félicitations » = excellent with honours

Each semester awards up to 30 ECTS (European Credits Transfer System).

LANGUAGES

As UFR Staps classes (both practical and theoretical) are taught in French, students should be able to follow university lectures in French. This means that applicants should be at least B2 level users of the French language, although a language test certificate is not required from exchange students.

For self-assessment regarding your language skills, you can use the self-assessment grid corresponding to the Common European Framework of Reference for Languages

Please note that University of Montpellier additionally offers French Language Classes (FLE : Français Langue étrangère).

NOMINATION & APPLICATION

Requirements for an exchange semester/year at UFR Staps :

Please note that only students from our partner universities can apply for a semester/year abroad at UFR Staps. Before applying, you have to be nominated for an exchange at UFR Staps by your home university's international coordinator. Other requirements are not necessary, although students should speak French (B2).

How to apply :

After your home university went through the nomination process, we will contact you and send you all relevant information needed for your exchange studies via email. We will send you a list of documents you will have to submit in order to process your application. Please make sure you provide a valid email address.

Documents to submit :

Copy of passport/ID card, medical certificate (English or French only), ID Photo + insurance documents described below.
